Thule Vectros Collection

Introducing the Thule Vectros Collection, a line of protective bumper cases with shock absorbing technology for up to 1 meter drops. Minimalist design complements the aesthetics of a MacBook® and adds layers of protection and grip for secure use and transport.

Thule Vectros Protective Bumper Cases

Protective bumper case with shock-absorbing ridges guards MacBook® from bumps and drops.

Features

- Engineered, shock-absorbing ridges provide ultimate protection
- Beveled edges engineered to securely fit MacBook® and offer enhanced grip
- Easy, snap-on installation with optional scratch shields for 360° protection
- Secure closure keeps device fastened shut even if bumped or dropped
- Rubberized feet for stability, grip and airflow
